

In recognition of her research and presentation of scientific and policy recommendations.

Kerim Calvelo Demirkol

from Qatar, is hereby named a

BORLAUG SCHOLAR

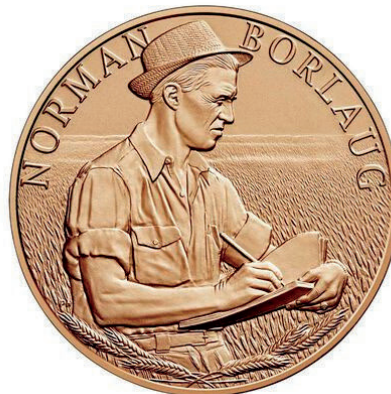

on this twentysixth day of January, two thousand and twenty three at the inaugural

World Food Prize - Wageningen Youth Institute

at

Wageningen University & Research

In the legacy of Dr. Norman E. Borlaug, father of the Green Revolution,
1970 Nobel Peace Prize laureate and founder of the World Food Prize,
who saved more lives than any other person that has ever lived.

Mirjam Troost
Coordinator Wageningen Youth Institute
